Cocktails

Thinking about drinks?

Why not consider a cocktail party?

Marilena's Catering is fully licensed to provide and serve alcohol for your party.

So call us to discuss your options.

How it works

We come to your house where our chef will cook in your kitchen.

We bring all equipment, grill, fryer, trays, etc., only needing to use your oven. Food is transported in temperature controlled carriers.

Napkins, sauces, serving trays etc. are provided.

Food is arranged onto platters, for serving over a two to three hour period, depending on menu choices and number of guests.

We can provide waiting staff on request. To serve finger food, allow one waiter for up to sixty guests.

Make It Special

Thinking about something special for your event? From serving cocktails to adding options to your Finger Food selection, Marilena's Catering can help.

Give us a call to discuss your food and drink options.
